

ABOUT TRADEASIA

Tradeasia is a fast growing global supply chain and distribution company of raw materials. We established our heritage from one of the world's welknown business hub, Singapore which then became our global headquarter since 2004. From this then, we started our expansion to other countries and now, for just about 16 years, we have covered many part of Asia. We now operates a global network of 9 countries as our trading hubs. Our agressiveness and calculated-risk taking have made us what we are now.
